

February 2, 2010

Permanent Closure of Grimes Avenue Railroad Crossing

Norfolk Southern will close the Grimes Avenue rail crossing permanently on **Thursday February 18, 2010.**

This closure was recommended as part of the Railroad Crossings Study completed in 2002 which also included reopening Taylor Street at Green Drive, lowering the roadway under the Ward Avenue underpass, upgrading the crossings at West Point and Prospect Street and the permanent closure of the Taylor Street crossing. These closings and improvements are part of an agreement approved by City Council on April 21, 2005 between the City and the North Carolina Department of Transportation Rail Division.

For any questions regarding the closure, please call the High Point Department of Transportation at (336) 883-3225 or the Engineering Services Department at (336) 883-3194.
